Take advantage of 30+ years experience with a partner, CPA or tax attorney

2. Hardcover and digital versions of the Textbook (\$248 value)

Get all of the information you need on one comprehensive textbook

Use the hardcover book, the digital version or both...your choice

3. Informative webinars and eLearning courses (included)

Multiple formats and CPE/MCLE/CE credit offered

Take courses in a live setting or at your own pace...your choice

4. Comprehensive knowledge base (get answers in “real time”)

Need a quick answer? This is place to get it

See answers to hundreds of questions. A real timesaver

5. Huge discounts on media, live seminars and more (20-40% off)

Platinum annual members get 20% off sitewide and an additional 40% off the TRI Professional's System

You can't go wrong with these savings

6. Tax hotline, case studies, articles, forms library and much more

You need to visit the members portal to see everything you get.
